**RESIDENTIAL**

# The future of residential metal architecture is bright.

For more than 30 years, ALPOLIC® Americas has provided premium architectural building products that have redefined cities from coast to coast. Recently, our exceptional variety of finishes has caught the eye of intrepid custom-build residential designers. They are looking for innovative solutions for homeowners that feel “cookie-cutter” just won’t cut it. With ALPOLIC® metal composite materials, these bold creators are redefining curb appeal.

**Quality products, expert customer care. That’s the ALPOLIC difference.** A nearly limitless selection of finishes—eye-catching high gloss, understated mattes, timber patterns so realistic you’ll look twice—with the strongest warranties available for 10, 20, or 30 years, you can trust ALPOLIC® for a strikingly beautiful look that lasts. From ideation to installation, our dedicated team will be with you every step of the way. Learn why ALPOLIC® is perfect for your next residential project.
